EDUCATION

Alpha Hr. secondary School, Chennai— HIGH SCHOOL(12TH STD.)

Saveetha School of Engineering, Chennai — B. TECH CSE

YEAR 2022 – YEAR 2026

PROJECTS

E-Commerce Website-Built Using Html, CSS And Javascript

A sleek restaurant website crafted with HTML, CSS, and JavaScript, offering an immersive dining experience with menu browsing, reservations, and more.

To-Do List App

Developed a feature-rich To-Do List application using Flutter, enabling users to efficiently manage tasks with functionalities such as task creation, updating, deletion. Implemented a responsive UI with state management to enhance user experience. Integrated local storage for persistent task management and optimized performance for smooth navigation.

Student Management (CRUD)-Built Using Python and MySQL

Developed a comprehensive Student Management System to streamline the management of student data. The system supports full CRUD (Create, Read, Update, Delete) operations, ensuring efficient data handling and user-friendly interaction

ACHIEVEMENTS

ZONAL RUNNER THROW BALL

Successfully led the throw ball team to achieve the Zonal Runner-up position. Demonstrated strong leadership, strategic thinking, and teamwork. Successfully competed at the zonal level, contributing to the team's overall performance and strategy.
